**DETAILED ACTION**

***Allowable Subject Matter***

1. Claims 7 and 9 are allowed.
2. The following is an examiner's statement of reasons for allowance: Claims 7 and 9 are allowable because of the apparatus with rotary shaft, cam, and link arm structures set forth in the claims. None of the prior art cited discloses an apparatus that incorporates the use of the rotary shaft, cam, and link arm structures to move the cutting device through a blind cutting movement path. Therefore, in view of what has been stated above, the claims are allowable over the art of record.
3. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
